Company Overview

The team at Newman Drywall and Construction is dedicated to superior quality and service. Over the last 15 years our team has provided multiple trade contracts to various projects of every size and shape. Newman Drywall and Construction has various experience in government facilities such as China Lake Naval Base, Edwards Air Force Base and Fort Irwin Army Base. Our team has also worked in various DIR contracts with new construction of Murray Middle school and the remodels of Sherman E. Burroughs High School and Cerro Coso Community College. It is our goal to provide on time completion and superior quality while maintaining the cleanest of job sites. For additional information please contact our team today.
